

Scholarship Match Program

The Scholarship Match Program is for any current or prospective students interested in or currently attending The Aviation Institute of Maintenance, Tidewater Tech, or Centura College. The Match program will award a dollar-for-dollar match to any student that chooses to apply a third-party scholarship(s) toward their tuition, fees, or other institutional charges on their student account within one of our institutions. The maximum amount of money that will be recognized in the matching of scholarship(s) is 10% of the total cost of the program to include tuition, books, and fees.

To be eligible for this award, a student must meet the following criteria:

- Must attend one of our institutions listed below.
- Must apply both the scholarship and its matched funds toward institutional costs on the school student account.
- Must complete the Scholarship Match Application and e-mail, fax, mail, or deliver to the institution of choice.
- Must submit all supporting documentation for each outside scholarship awarded along with the application.

A scholarship associated with this program is defined as funding based on academic merit or need paid on a student's behalf by any organization outside of our company's ownership. Private tuition reimbursement, Title IV loans and grants, and funding such as state grants, WIOA, military tuition assistance, and veteran's benefits are not eligible for this program. In instances where this program creates a credit balance, the school will use that amount to reduce the student's current Title IV loan balance. If the student is not utilizing any Title IV loans, we will apply the match to future terms/academic years (up to the 10% max) unless there is no longer a balance due. Only if the student owes on no student loans will a disbursement be made directly to the student.

To remain eligible for this scholarship, the student must meet the following criteria while enrolled at one of our institutions:

- Maintain a GPA equal to or higher than a 2.0 while in attendance at our institution.
- Maintain 70% or higher attendance while enrolled at our institution.
- Must demonstrate good citizenship and have no violations of the Code of Conduct to which they are found guilty. Serious violations such as Level I or II of the Code of Conduct will result in the loss of the Scholarship Match.
- Must maintain good standing with meeting all progress standings to include Rate of Progress (ROP) in program and Satisfactory Academic Progress (SAP).
- Remain current on school payments to the schools and third-party lenders.
- Demonstrate and maintain a positive image and serve as a role model expected of a future professional in the industry.

To apply, complete the Scholarship Match Application and email, fax, mail, or deliver to the institutions of interest.

If you have any questions, please contact an admissions representative or financial aid officer at the contact information listed on the application.
